Discovering Beauty in the Ordinary - Your Everyday Life with Linda Berg - Book Description - Linda Berg reveals that you need to look at the world with an open heart and a sense of humor to find beauty and meaning in the ordinary. The author has asked herself what would happen if she looked for beauty in all she does, not only in special moments? Looking for beauty in your ordinary life allows you to know and love yourself as you are. Linda Berg, author of *INTRODUCTORY BOTANY: PLANTS, PEOPLE AND THE ENVIRONMENT*, shares some of the ideas she has explored and learned through her 12 years as a biology teacher, 20 years as an environmental consultant, and as a mother. Here is your invitation to slow down, look around, and see the beauty in the ordinary. Add to Cart | Listings | Pages: 20 | Over 3,000 Features access to premium content and products, eBooks, and complimentary ePubs. Learn more about Lingamore Publishing by visiting [Martin Luther King, Jr. - Introduction to History - Linda Berg](#). *INTRODUCTION TO HISTORY* is an introductory survey of world history, from the Stone Age to the present. Each chapter begins with a question to stimulate thinking about and reflection on the theme and topic. *INTRODUCTION TO HISTORY* provides the context of the major events in history and features excellent, in-depth, and easily readable discussions of pivotal events and ideas. Each chapter includes questions to encourage self-evaluation of the material covered and summarizing information for the end-of-chapter assessments. Teacher resources support the reading of each chapter and each end-of-chapter question. Featuring a user-friendly, uniform design, this paperback book is perfect for students and teachers alike. This book is part of the Project Gutenberg eBook, *World History, Volume II* (ISBN 0-671-12955-6). "The ideas of the Manifesto that have grown out of the Revolution have not yet been applied. Much remains to be done before a lasting peace is possible. The wish of the Manifesto to organize human labor on an international scale is being fulfilled only in part. The most important tasks of the working class are still to be accomplished. For all humanity, however, the decisive battles have been won." (p. 2.) 1. The Manifesto of the Communist Party (
